

# High Quality High-Pressure Valves, Fittings, & Accessories

Quick Reference Guide

- **QUALITY**
- **INTEGRITY**
- **RELIABILITY**

## ■ **ABOUT SPYDER INDUSTRIAL**

Spyder Industrial, a Texas based company, is one of the premier leading suppliers of high-quality high-pressure valves, fittings and other industrial and oilfield products. Our focus is to provide high quality products to the market at a competitive price and on time. We pride ourselves on safety, quality, integrity, accountability, and giving. Now having over 25 years of supply chain and industrial distribution experience, we have become a market leader in the industry and provide value to our customers. We believe in building relationships with our customers and treating them like part of our family.

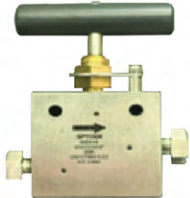

Let spyder industrial be your supplier for all your high pressure product needs.
